<b>Junction Box</b>																																																								
141-18																																																			3/4"-14 outlet, NPT Aluminum, Hazardous Area Fits models with 1/2" NPT ATEX, IECEx Certified					
141-19																																																						M20 x 1.5 outlet, Aluminum, Hazardous Area Fits models with 1/2" NPT ATEX, IECEx Certified		
141-20																																																							3/4"-14 outlet, NPT SST, Hazardous Area Fits models with 1/2" NPT ATEX, IECEx Certified	
141-25																																																							M20 x 1.5 outlet, Aluminum, Hazardous Area Fits models with M20 NPT ATEX, IECEx Certified	
141-26																																																								3/4"-14 outlet, 316 Stainless Hazardous Area Fits models with M20 NPT ATEX, IECEx Certified
141-27																																																								M20 x 1.5 outlet, 316 Stainless Hazardous Area Fits models with M20 NPT ATEX, IECEx Certified
141-28																																																								M20 x 1.5 outlet, 316 Stainless Hazardous Area Fits models with 1/2" NPT ATEX, IECEx Certified
<b>Mounting / Manifold</b>																																																								
89-130																																																							675-Series mounting bracket kit	
89-133																																																								1/4"-18 NPT 316 SST
89-133-1																																																								1/2"-18 NPT 316 SST
89-134-1H																																																							Pipe mount - horizontal	
89-134-1V																																																								Pipe mount - vertical
<b>Thermowell</b>																																																								
113-34-1																																																							4 1/2" long, 1" NPT 316 SST	
113-34-2																																																								7 1/2" long, 1" NPT 316 SST
113-34-3																																																								10 1/2" long, 1" NPT 316 SST
113-34-4																																																								13 1/2" long, 1" NPT 316 SST
113-35-1																																																								4 1/2" long, 3/4" NPT 316 SST
113-35-2																																																								7 1/2" long, 3/4" NPT 316 SST
113-35-3																																																								10 1/2" long, 3/4" NPT 316 SST
113-35-4																																																								13 1/2" long, 3/4" NPT 316 SST
