**NEMA 4X (IP65/IP66)  
ENCLOSURES WITH ADDED LEVELS OF CORROSION PROTECTION**

**DECLARATION OF CONFORMITY**

**Self-Certifying Declaration**

**PRODUCT:** Custom Control Sensors “DUAL-SNAP” OEM manufacturer of adjustable standard and custom pressure, temperature and flow switches.

**SERIES:** 646\* Series Pressure, Differential, Vacuum and Temperature Switches

**MANUFACTURER:** Custom Control Sensors, Inc.  
21111 Plummer Street  
Chatsworth, CA 91311 USA.

**COMPLIANCE WITH** UL 50E, CSA C22.2 No. 94.2, NEMA 250, Enclosures for Electrical Equipment, Non-Environmental Considerations

NEMA 4X enclosures for Indoor or Outdoor use, including offshore applications. Provides a higher degree of protection against corrosive elements in those applications where your equipment exposed to extreme and harsh environments. The enclosure is built with a die cast aluminum body, epoxy powder coated, gasketed, and captive cover screws

**I declare that the above products conform to the following North American Standards:**

- Designed to meet Enclosure Type 4X (IP65/IP66)
- Provide a degree of protection against rain, snow, windblown dust, and splashing water, provide a degree of protection against hose-directed water as per NEMA 250, section 4.7.
- Provide suitable corrosion protection as per UL50 Section 15.
